1. Services Provided

Prisca Dezigns agrees to build and publish one (1) website for the Client using a selected template design. The website will be customised with the Client's logo, colours, photos, and provided content, and published within 24 hours of receiving all required materials from the Client.

2. Setup Fee & Payment Before Work Begins

A non-refundable setup fee as indicated in the selected Service Tier above is due in full before work begins. Work will not commence until payment is confirmed. The setup fee covers template customisation, initial content population, domain configuration, and publishing.

3. Copywriting Updates

The setup fee includes one (1) complimentary round of content changes following initial delivery. Any subsequent copywriting updates — including text edits, new sections, or content rewrites — will be charged at \$4.99 USD per update, payable before the change is made. This applies to all tiers.

4. Monthly Hosting Fee

The Client agrees to a recurring monthly fee as indicated above to keep the website live, hosted, and maintained. This fee covers server hosting, SSL security, technical upkeep, and minor performance updates.

5. Chatbot (Template + Chatbot Tier Only)

Clients selecting the Template + Copywriting + Chatbot tier will receive a basic AI chatbot integrated into their website. The chatbot is configured with the Client's provided FAQs, services, and contact information. Ongoing chatbot updates are included in the monthly fee.

6. Payment Terms & Late Payment

Monthly hosting fees are due on the same calendar date each month. If payment is not received within 7 days of the due date, Prisca Dezigns reserves the right to take the Client's website offline without further notice. The website will be restored within 24 hours of receipt of all outstanding balances. Prisca Dezigns is not liable for any loss of business or revenue resulting from website downtime due to non-payment.

7. No Refunds

All payments — including setup fees, monthly hosting fees, and per-update copywriting fees — are strictly non-refundable. Once work has commenced or the website has been published, no refunds will be issued under any circumstances, including but not limited to: dissatisfaction with the design, change of business direction, or failure to provide required materials.

8. Cancellation

The Client may cancel their monthly subscription at any time by providing written notice via WhatsApp or email to Prisca Dezigns. Upon cancellation, the website will remain live until the end of the current billing cycle, after which it will be taken offline. No partial refunds will be issued for unused days. Cancellation does not entitle the Client to a refund of the setup fee.

9. Pricing Changes

Prisca Dezigns reserves the right to update its service pricing at any time. Current clients will be given 30 days' written notice of any pricing changes affecting their active subscription.

10. Intellectual Property

All template designs, assets, and underlying code remain the intellectual property of Prisca Dezigns. The Client owns all custom content (logos, text, photos) they supply. The Client is granted a non-exclusive licence to use the published website for the duration of their active subscription.

11. Client Responsibilities

The Client agrees to provide all required materials (logo, photos, text, branding) in a timely manner. Prisca Dezigns is not responsible for delays caused by the Client's failure to provide materials. The Client is responsible for ensuring all content submitted is legally owned or licensed by them.

12. Limitation of Liability

Prisca Dezigns shall not be held liable for any indirect, incidental, or consequential damages arising from the use or inability to use the website. Our total liability shall not exceed the total fees paid by the Client in the preceding 30 days.

13. Governing Law

This Agreement is governed by the laws of the Republic of Trinidad and Tobago. Any disputes shall first be attempted to be resolved amicably. If unresolved, disputes shall be referred to the courts of Trinidad and Tobago.
