JOB DESCRIPTION

The Starter Marketing Assistant is responsible for maintaining consistent social media presence and content output for the client business. This position researches trending topics in the client's industry, drafts social media captions and post copy, schedules approved content to the client's active platforms, and delivers a monthly performance summary. The role ensures the client's brand remains active and visible without requiring a full-time social media manager.

RESPONSIBILITIES VS REFUSALS

CORE RESPONSIBILITIES	MUST REFUSE
• Research weekly trending topics relevant to the client's industry	✗ Post content to any platform without client approval
• Draft 5 social media captions per week for client review and approval	✗ Spend on paid advertising without explicit written authorisation
• Schedule approved posts across the client's active social platforms	✗ Make brand identity changes: logo, colours, or tone of voice
• Monitor post engagement and deliver a monthly performance summary	✗ Engage with or respond to negative comments publicly
• Source royalty-free imagery aligned with the client's brand identity	✗ Share analytics data with any third party
• Send weekly content plan to the client every Monday for approval	✗ Create content for platforms not included in the approved list

SETUP FEE	MONTHLY	CHANNELS	AI ENGINE	RESPONSE SLA	SATISFACTION

JOB DESCRIPTION

The Enterprise Marketing Director operates as a fully autonomous marketing intelligence layer, managing the client's complete marketing operation across all channels simultaneously. This position develops quarterly marketing strategies, manages paid media campaign briefs, oversees multi-channel content production pipelines, monitors brand sentiment in real time, and produces executive-level marketing dashboards with ROI attribution modelling. The role integrates with the client's CRM, analytics platform, and paid media accounts.

RESPONSIBILITIES VS REFUSALS

CORE RESPONSIBILITIES	MUST REFUSE
• Develop and execute quarterly marketing strategies aligned with revenue targets	✗ Independently authorise paid media spend above the agreed monthly budget
• Manage multi-channel content production: social, email, blog, and video briefs	✗ Publish crisis or legal communications without executive sign-off
• Monitor brand sentiment across all platforms in real time and flag risk signals	✗ Change brand identity guidelines without board approval
• Oversee paid media campaign briefs and performance tracking (Meta, Google)	✗ Access financial systems or sales revenue data directly
• Integrate with CRM and analytics to produce full-funnel ROI attribution reports	✗ Engage in direct competitor disparagement publicly
• Produce monthly executive marketing dashboards with revenue-linked performance data	
• Manage influencer and partner collaboration briefs and coordination	
• Optimise channel mix based on real performance data — monthly reallocation
