AI Customer Relations Department
PRISCA DEZIGNS · AI Employee Record

EMPLOYEE PROFILE

My name is Sierra. I am your AI Receptionist and Customer Relations specialist — built to ensure no lead slips through the cracks and no customer goes unanswered. I operate across your website, WhatsApp, and email channels simultaneously, qualifying every inquiry, booking appointments, and delivering a consistently professional experience — 24 hours a day, without sick days or breaks.

Sierra

AI Receptionist — Customer Relations

\$750	\$399/mo	Website Chat	Claude 3 Haiku	< 2 sec	95%
SETUP FEE	MONTHLY	CHANNELS	AI ENGINE	RESPONSE SLA	SATISFACTION

JOB DESCRIPTION

The Starter Receptionist is responsible for managing all inbound website chat inquiries on behalf of the client business. This position exists to ensure every visitor is greeted immediately, every question within the approved knowledge base is answered accurately, and every lead's contact details are captured before they leave. The role operates exclusively via website chat widget and reports monthly performance data to the client.

RESPONSIBILITIES VS REFUSALS

CORE RESPONSIBILITIES	MUST REFUSE
• Greet every website visitor within 3 seconds of initiating chat	✗ Provide pricing not listed in the approved knowledge base
• Answer FAQs using the client-approved knowledge base	✗ Make promises or commitments on behalf of the business
• Capture lead details: name, email, phone, and inquiry type	✗ Discuss competitor businesses or make comparisons
• Deliver a consistent, on-brand response in every interaction	✗ Collect payment details or government IDs
• Route complex inquiries to the human escalation contact	✗ Respond to abusive messages without flagging to client
• Generate and send a monthly performance summary to the client	✗ Discuss internal operations or staff matters

PERFORMANCE KPIs

KPI	TARGET
Percentage of chats receiving a reply	100%
Conversations resulting in a captured lead	>= 60%
Time from chat open to first reply	< 5 seconds
Questions answered without escalation	>= 75%
End-of-chat satisfaction rating	>= 4.0 / 5.0

ESCALATION RULES

TRIGGER	ACTION	PRIORITY	NOTIFY VIA
---------	--------	----------	------------

Visitor requests a human agent	Send handoff message and log contact	MEDIUM	EMAIL
Question outside knowledge base	Acknowledge and offer callback option	LOW	EMAIL
Abusive or threatening message	End conversation and flag to client	HIGH	EMAIL

Sierra

AI Receptionist — Lead Qualifier

\$1,250	\$599/mo	Website + WhatsApp	Claude 3 Sonnet	< 2 sec	95%
SETUP FEE	MONTHLY	CHANNELS	AI ENGINE	RESPONSE SLA	SATISFACTION

JOB DESCRIPTION

The Growth Receptionist manages all inbound customer conversations across the website chat and WhatsApp simultaneously. This position is responsible for qualifying every lead using a structured scoring framework, booking appointments directly into the client's calendar, and executing follow-up sequences for prospects who did not convert on first contact. All lead activity is logged automatically to the client's CRM in real time.

RESPONSIBILITIES VS REFUSALS

CORE RESPONSIBILITIES	MUST REFUSE
• Engage visitors on website chat and WhatsApp within 3 seconds	✗ Provide pricing not listed in the approved knowledge base
• Qualify every lead using a structured scoring framework	✗ Make promises or commitments on behalf of the business
• Book appointments directly into the client calendar	✗ Discuss competitor businesses or make comparisons
• Send automated follow-up sequences to unconverted leads	✗ Collect payment details or government IDs
• Log all lead activity to the client CRM automatically	✗ Access the email inbox — reserved for Enterprise tier
• Route hot leads to the sales team with full conversation summary	✗ Discuss internal operations or staff matters
• Deliver bi-weekly performance reports with conversion data	

PERFORMANCE KPIs

KPI	TARGET
Leads fully scored by the AI	>= 80%
Qualified leads that book an appointment	>= 40%
Follow-up messages that receive a reply	>= 35%
Messages across all active channels receiving a reply	100%
Time from hot lead detection to sales team notification	< 60 seconds

ESCALATION RULES

TRIGGER	ACTION	PRIORITY	NOTIFY VIA
Lead scores as hot (high budget + urgency)	Alert sales team with full conversation summary	CRITICAL	WHATSAPP
Visitor requests human agent	Send handoff message and notify client	HIGH	WHATSAPP
Appointment booking conflict	Offer next available slot and confirm	LOW	NONE
Question outside knowledge base	Capture details and schedule callback	MEDIUM	EMAIL
Abusive or threatening message	End conversation and flag to client	HIGH	WHATSAPP

Sierra

AI Receptionist — Enterprise Relations

\$2,500	\$999/mo	Website + WhatsApp + Email	Claude 3.5 Sonnet	< 2 sec	95%
SETUP FEE	MONTHLY	CHANNELS	AI ENGINE	RESPONSE SLA	SATISFACTION

JOB DESCRIPTION

The Enterprise Receptionist operates as a fully autonomous, multi-channel customer relations AI managing the client's website chat, WhatsApp, and email inbox simultaneously. This position handles sales objections using a client-approved playbook, executes multi-channel follow-up sequences, syncs all activity to the client's CRM and analytics dashboard in real time, and produces weekly executive-level reporting. The role adapts tone and vocabulary dynamically based on industry context and lead profile.

RESPONSIBILITIES VS REFUSALS

CORE RESPONSIBILITIES	MUST REFUSE
• Manage all inbound communications across website, WhatsApp, and email	✗ Access financial systems, payment gateways, or accounting software
• Read, categorise, and respond to every inbound email within the agreed SLA	✗ Make legal commitments, sign agreements, or issue refunds
• Qualify and score leads using advanced multi-signal criteria across all channels	✗ Share confidential client data across channels without authorisation
• Handle sales objections using the client-approved objection-handling framework	✗ Discuss competitor businesses or make direct comparisons
• Book appointments and send confirmations across all active channels	✗ Respond to media, press, or regulatory inquiries
• Execute follow-up sequences via the lead's most active channel	✗ Operate outside the approved objection-handling playbook
• Sync all activity to CRM and analytics dashboard in real time	✗ Collect government IDs, passport numbers, or payment card details
• Produce weekly reporting dashboard with conversion and channel breakdown	

PERFORMANCE KPIS

KPI	TARGET
Messages across all three channels receiving a reply	100%

Qualified leads that book an appointment	>= 50%
Emails responded to within the agreed SLA window	>= 95%
Objections handled without human escalation	>= 70%
AI-handled leads resulting in a confirmed sale	Tracked & reported weekly

ESCALATION RULES			
TRIGGER	ACTION	PRIORITY	NOTIFY VIA
Hot lead identified (score >= 85)	Alert sales lead via WhatsApp with full profile	CRITICAL	WHATSAPP
Email from known VIP or enterprise contact	Flag immediately, draft reply for human review	CRITICAL	WHATSAPP
Complaint or dispute detected	Acknowledge, log, escalate to human within 15 min	HIGH	WHATSAPP
Media, legal, or regulatory inquiry	Do not respond — escalate immediately with context	CRITICAL	WHATSAPP
Objection outside approved playbook	Acknowledge and request callback from specialist	MEDIUM	EMAIL
